Notice of New Natural Gas Construction Project  
Docket No. 2012-278-G

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "[o]f any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont plans to replace the regulator station located at the intersection of Woodruff Road and Cooper Dairy Road in Greenville, SC with a new station to accommodate anticipated system growth in this area. The new station will be located directly adjacent to the existing station on the west side of Cooper Dairy Road. The station will connect to the existing inlet pipe from the high pressure distribution main that runs along Woodruff Road on the upstream side and the existing distribution main on the north side of Woodruff Road on the downstream side. Piedmont expects to complete construction on this project (FP0751519) by the end of January 2019.

By copy of this letter, Piedmont is also notifying ORS of this construction pursuant to S.C. Code Ann. Reg 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,
